Addiction

<https://cma-policies.andornot.com/en/permalink/policy9527>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2009-Aug-19
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: The Canadian Medical Association recognizes addiction as a chronic, treatable disease and urges that it be included in national and provincial/territorial efforts to improve chronic disease management.

Adverse events

<https://cma-policies.andornot.com/en/permalink/policy9574>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2009-Aug-19
Topics: Ethics and medical professionalism
Health care and patient safety
Resolution: The Canadian Medical Association, while recognizing the importance of disclosing adverse events to affected patients in a timely manner, recommends that regional health authorities, institutions and professional associations develop policies to ensure the confidentiality of medical quality assurance deliberation, unless public notification is required to mitigate any possibility of ongoing harm.
